

This book is for anyone who is starting to become "a bit confused about who this Santa character is supposed to be." If you've heard rumors that Santa is not real and want to get to the bottom of the mystery join us as we explore a theory on how Santa could be real and your parents at the same time.

If you are an inquisitive seeker of the truth you are in luck because this book just "May be the Truth About Santa!"

Maybe The Truth About Santa by Amy Powell Zalewski
